

# MAUSOTRAY

## *Sturdy Support for Comprehensive Containment*

Constructed of rugged, high-molecular-weight polyethylene, the MausoTray features a Uni-Rolled upper edge and a Diamond Rail base -geometric construction details that yield the strongest, sturdiest tray on the market.

Its propriety design facilitates "nesting" of multiple trays into a compact. MausoTrays will fit precisely anywhere.

Variants	Thickness	Inside	Outside
<b>MTB</b>	.135	84.50" x 28.25" (84 1/2" x 28 1/4")	86.25" x 30.00" (86 1/4" x 30.00")
	.165	84.50" x 27.75" (84 1/2" x 27 3/4")	86.375" x 30.125" (86 3/8" x 30 1/8")
<b>MTA</b>	.135	85.50" x 29.125" (85 1/2" x 29 1/8")	87.125" x 30.75" (87 1/8" x 30 3/4")
	.165	86.625" x 29.25" (86 5/8" x 29 1/4")	87.25" x 30.875" (87 1/4" x 30 7/8")
<b>Oversized</b>		33.50' x 85.50" (33.1/2" x 85 1/2")	35.125" x 87.125" (35 1/8" x 87 1/8")
